My apologies for not sending this to you when it happened. I was reviewing your letter about our FY19 PPG/Review and realized you still had the Director as John Sullivan. Can you update that letter when you get a minute? Thanks!

Effective yesterday, Director Sullivan resigned his position leading the Illinois Department of Agriculture. Effective immediately, I will be serving as Acting Director for the Department.

The accomplishments over the last year are many and I know we will continue the mission of the Department. I appreciate everything you do to serve Illinois' number one industry.
